Freshman Memories

Debbie Zipp

Through these years

We have made

The history of our lives.

All our hopes

All our fears

All the good times

and the bad

Although they may

have caused some happiness

They've also caused some tears.

But now we're in our ninth grade class

And those memories

Will become our past.

I cannot say

They will be forgotten

But one thing for sure

They will always be stored

Deep in our hearts

For memories for ever more

Mrs G  
This year has been  
fun.. and hope to  
see ya in the future.  
Luv ya.

# Dedication

The Yearbook Staff wishes to dedicate this yearbook to the entire staff: administration, teachers, secretaries, custodians, and cafeteria staff. It is because of their commitment to creating the best possible learning environment that Kosciuszko has truly held a special place in our lives. We would like to wish all the staff the best of luck at Kennedy, Fermi, or Enfield High. For those members of the staff who will not be with Enfield in future years, our special thanks go with you. For whatever the future years may bring for the members of the staff, we are sure that the years spent at Kosciuszko will be remembered as the

"Best of Times".

# Teachers

The Best of Times      Fred McGhee

We will never forget the moments of life.

How we made it together

Through the mischief and strife,

Through the hard times, the easy times, the good and the bad,

We Will always thank that "middle man"

the friend we see and view but never knew that we had,

When we take the time to remember all the good friends we've had,

From the teachers to the students, ready to lend us a hand.

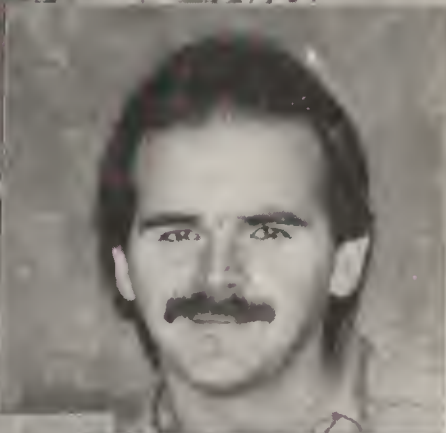

All the cheating, all the lying, all the crying and fights,

really are we stick together through these

"Best of Times".

The Best of Times      Theresa Tracey

Remember all the times we've shared  
The word of a friend to show they cared,  
All the memories we've gently caressed  
To somehow say this year's the best.

Remember all the dances,  
All the spur of the moment romances,  
The dreams we wished would all come true,  
Somehow did with a friend like you.

As we reflect on the past,  
The times we've shared will now forever last,  
As we remeber the times we've shared were  
"The Best of Times".

Sports Tricia Agro

We played through heat  
We played through rain  
We played right through the hurt and pain.

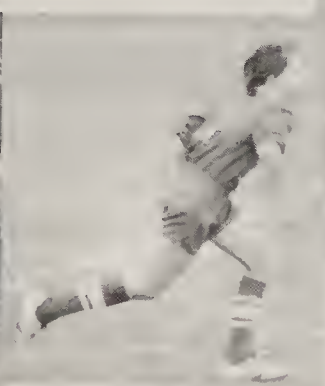

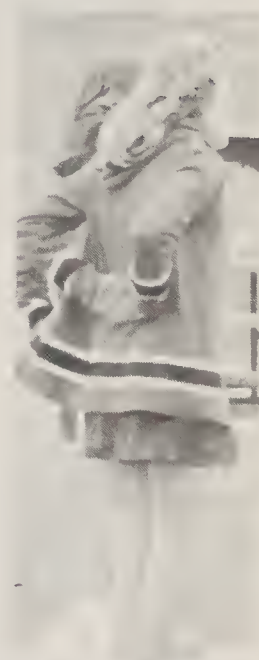

We went to practice everyday  
We were the students at the Big K.  
The Charger spirit is to fight  
To win the game with all our might.

Most of the time we did win  
We owe it to our captain  
But mostly to our coach; who pulled us through  
When we were down and feeling blue.

Our friends were there when we got hurt,  
To pick ourselves up out of the dirt.

The teams we had  
We worked like mad  
To better our talent  
We already had.

But through the years  
We heard the chimes;  
Reminding us of  
"The Best of Times".

## The Best of Times Lisa White

In times to come, we will remember,  
 "The Best of Times", we shared together.  
 We stuck together, the ninth grade class of 82.  
 And always managed to make it through.

But, along with the good, we accept the bad,  
 The memories of the troubling times we had.

We won't forget the teachers,  
 Who helped us through the years.  
 Those so willing to assist through our sorrow and our tears.  
 Yes, our ninth grade class may soon be gone,  
 But the memories we made, will linger on.

In our hearts we'll always have a place for the terrific  
 friendships had,  
 And how they helped to guide through all times, good and bad.  
 And how in times of depression, they gave us support,  
 And worried about our problems, of every type and sort.

So, tears are shed,  
 Goodbyes are said,  
 As we go our separate ways.  
 But hopes survive that in our future lives,  
 We'll meet again someday.

Yes, They were the "Best of Times",  
 But we now face that they're gone,  
 But always will our memories of the Big K live on.

# Remembering the Best of Times

In these years we've spent together,  
There's lots of fun we've shared.  
Through making friends and growing up,  
We've really learned to care.

Will always be remembered.  
Nothing can be forgotten  
Not even the smallest burning ember.

So as our thoughts return  
To our first days at Big K,  
We recall the times  
of yesterday ...

All our games against Kennedy, our rival,  
How we made them struggle for survival.  
The dances where everybody had fun,  
And Class Night; that's the special one.

The spirit weeks, when some of us went crazy,  
Maybe now seem a bit hazy.

But how could we forget when we released balloons for the  
hostages one day,

And we also let them go on our 300th birthday.  
Nature's Classroom, among other trips,  
was a place where we really flipped.

When the band marched in all the parades  
And the time we took first place.

The breaks we had on snow days and vacations,  
We can still reminisce with appreciation.

Especially reflect upon everyone who spent these three years  
with us,

Teachers and friends, who gained our trust,  
With the help of special friends.

We even lived through the day the world was supposed to end.  
We made it through everything because of them.  
Always we'll need them as we needed them then.

These memories that we've made  
Will become forever dear,  
Especially now that we  
Are in our final year.

So everyone hold tightly  
And let Big K live on.  
Live the last months brightly  
Before the best of times are gone.

We, the Class of 1985, would like to show our appreciation to the administration, faculty, and the entire student body, for their cooperation in making this 1981-1982 yearbook a memorable one. We especially like to show our gratitude to Miss Wescott for her guidance and patience while helping us make this yearbook an original. As you look back to the last year at Kosciuszko we hope that these were the "BEST OF TIMES".

The Memories Kosciuszko Will Always Remember Donna Vella

As we set forth our past through all the years  
We will remember the past, the laughter and the tears  
The strongly cemented walls that have held up our beloved school  
Have grown weary but wise  
These walls hold cherished memories that even include our lives  
No one of us know of the captivating memories it holds  
For they have:

Heard the Choirs sing  
See the victories won  
Felt the warmth of friendship

And hold dearly everyone  
For Long after we are gone

These walls will continue to echo the sound of  
Kosciuszko Junior High
